

Ocean Tunnel

Take a walk underneath the waves and meet our tropical residents.

Spot the shell

Look at the patterns on the shells below and see which turtles you can spot on your visit to SEA LIFE. Draw your favourite pattern in the empty shell.

Hawksbill Turtle

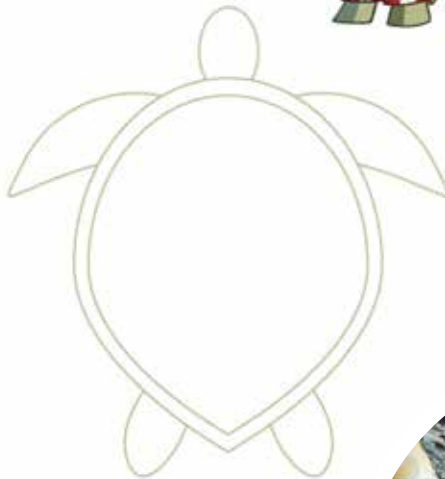

Green Sea Turtle

Loggerhead Turtle

Leatherback Turtle

Trivia Questions:

What type of water is in the ocean display?

- a) Fresh water.
- b) Salt water.

And what temperature is it?

- a) Warm.
- b) Cold.

Fun fact:
Green sea turtles can stay underwater for up to 5 hours!

Rockpool

Visit our interactive rockpool and meet starfish, crabs and anemones.

Activity:

Touch a starfish or crab in the rockpool. Are you brave enough?

Make a list below of all the adjectives you can think of to describe the creature that you touched.

Trivia:

Starfish have an amazing way of eating.
How do they do it?

- a) They catch prey with their tongues.
- b) They push their stomachs out of their bodies.

Fun fact:

If anemones are not eaten or destroyed, they can live for decades!

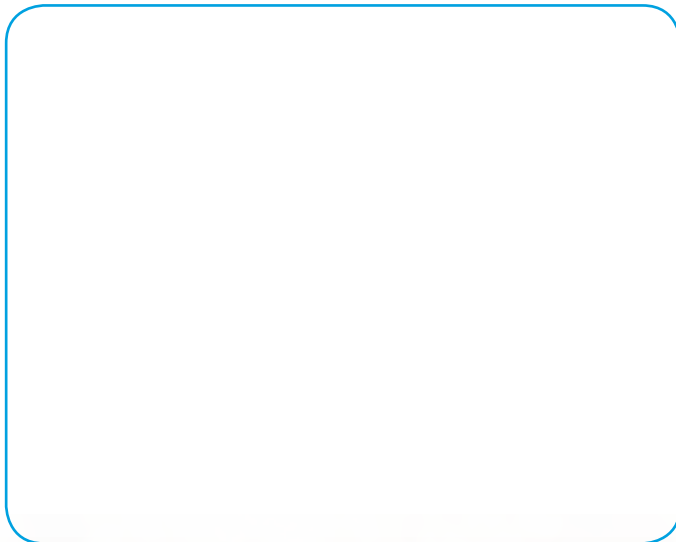

Clownfish Kingdom

Take a peek in the coral caves and meet the colourful clownfish.

Activity:

Draw the corals & other creatures that live with the clownfish.

Fun fact:

25% of all marine fish live on coral reefs!

Trivia:

Clownfish live among anemones. How do they live there without getting stung by their poisonous tentacles?

- a) They have a coating on their skin which makes them immune.
- b) They are very careful not to touch them.

Native Rays

Get a little closer to home and meet the creatures that live closer than you think.

Activity:

Some of these are true species of ray. Some are made up! Draw a line to 'True' or 'False' depending on what you think.

Thornback

Sun

Cuckoo

Spotted

Moon

Striped

True

False

Trivia:

How do you think the rays' colouring helps them survive?

- a) They can change colour when danger is close.
- b) They can camouflage to avoid predators.

Fun fact:

Rays are a member of the shark family!

Sharks

Meet the sharks that are friendlier than you think!

Activity:

How many of the words below can you find in the word search?

FINNING
HOOKS
JAWS
MEDITERRANEAN
MEGALODON

NETS
OCEAN
PREDATOR
PUPS
TEETH
