

## Easter Holiday Challenges

**2020**

### Before you begin!

- Choose a challenge from those listed overleaf. Discuss your ideas with your parent/carer to agree as to where you might need some help. Please be sure that you have permission before you begin your task, even when you are carrying out research on the computer!
- You must provide some evidence that you have taken part in the activity. For example, you could take a photograph, write a diary, draw a picture of your day, make a digital presentation, make a voice or video recording, or a letter from an adult.
- In your evidence you may like to include:
  - The dates/times of the activity.
  - What was the easiest and hardest part of the challenge?
  - Would you do anything differently if you did the challenge again?
  - What else would you like to go on and do now?
- You can complete as many activities as you wish. The more you complete the more hours you can claim!
- Please take your evidence into school with your Children's University passport after the holidays.
- If you have any questions, please contact Sara Burton on 07805929965.

**Turn over to find your tasks!**
