

Children's University After School Club!

Get curious!

Write questions and interview a family member about what life was like when they were young. Write down their answers and compare life from then and now

Get creative!

Research a famous artist of your choice. Look in the mirror and draw or paint a self portrait in their style

Get experimenting!

Learn about the water cycle by making your own 'water cycle in a bag' then make a poster to show the science behind it

5 new things to do this week!

Each activity is worth 1 credit. To get a stamp code for *Children's University Online* email contactus@childrensuniversity.co.uk with evidence - this could be a photograph, video, a work sheet, or writing about what you did! All activities require adult supervision. The supervising adult is expected to manage all activity risk.

Get safe!

To mark Safer Internet Day, discuss online safety with the rest of your household and create an NSPCC Family Online Agreement
